RE: PlanOmatic Referral Program

Yes, it really is that simple. If you refer one of your fellow real estate agents to PlanOmatic and they order a PhotoPlan, we'll send you a \$50.00 Visa Gift Card – that's \$50.00 for each new referral order! Here are the details:

- 1) The referral must be a new client – i.e. the referred agent can not have been a client of PlanOmatic within the previous 12 months.
- 2) To receive the \$50.00, the referral must culminate in the order of a PhotoPlan and the subsequent completion of said order.
- 3) The \$50.00 will be sent to the referring agent upon billing and completion of the PhotoPlan for the referred client.

Terms and Conditions:

This offer does not apply to any previous orders or referrals. The referred agent must operate within a current PlanOmatic service area. Service areas can be found on our website at www.planomatic.com. The referred agent must mention referring agent and this offer upon ordering for this offer to apply. The offer applies to PhotoPlan orders only. PlanOmatic reserves the right to change these terms and conditions at any time without prior notice.

Go ahead – take advantage of this offer and get \$50.00 each time you refer a new client and they order! We've tried to keep it as simple as possible.
